TRIES SUICIDE TWICE.

Negro Fountain Dies on Gallows After Breakdown and Request to be Shot.

Easton, Md., July 24.—After twice attempting to take his life within an hour before the time set for hanging, Isaiah Fountain, the negro who was twice convicted of assault an 14-year-old Bertha Simpson, a white girl of Trappe, Md., went to his death on the gallows in the Easton jail at 3:12 a. m. yesterday.

About 2 a. m. while Chief Inspector Roger W. Williams, of the State road force, was on death watch outside the cell an unusual sound attracted him and he found that Fountain had twisted bed clothing about his neck and was attempting to fasten the other end to the bars of the cell.

When the noose was removed, it was found that the negro's neck was bleeding. Search of his cell revealed half of an old safety razor blade, with which the wound had been inflicted.

After the noose had been adjusted Sheriff Soulsby asked if he still declared his innocence. "All I got to say is good-by, Sheriff," murmured the prisoner.

Fountain dropped ten feet. Three minutes later Drs. Philip L. Travers, C. F. Davidson, and W. N. Palmer said he was dead, but death was not decided offically for 13 minutes.

POISONED CANDY FATAL

Nashville, July 24.—Mrs. Lizzie Brooks is dead and Mrs. Susie Littrell, Mrs. Dora Borders, Miss Willie Caffey and Mrs. John Ivey are recovering from the effects of poison placed in candy sent to Mrs. Littrell at the Middle Tennessee Hospital for the Insane. Police yesterday are hunting for the party who sent the poisoned candy to Mrs. Littrell.

RESOLUTIONS OF RESPECT

At a regular session of the J. R. N. Curtin Memorial Baraca Class of the First Baptist Church of Alexandria, Virginia, held on Sunday morning, July 18th, 1920, having learned with profoundest regret of the death of Dr. Wm. F. Watson: Therefore be it resolved:

Whereas our heavenly Father in his sovereign goodness and infinite wisdom saw fit on July the 16th, 1920 to take from his vineyard Dr. Wm. F. Watson, former pastor of the First Baptist Church of Alexandria, Virginia, and beloved father of John Watson, member of the J. R. N. Curtin Memorial Baraca Class of the First Baptist Church of Alexandria, Virginia, and feeling that it is befitting that we give loving expression to the sorrow we feel. Resolved Further:

That we bow in humble submission to the will of "Him who is too wise to err and too good to be unkind," and that we place on permanent record our appreciation of the high Christian Character manifested in his life.

Resolved Further:

That the life of our brother which was an inspiring example of the true Christian spirit in his daily walk with his family and friends, his loving sympathy and kindness to those in affliction and need, his constant devotion to his Church be ever enshrined in the hearts and memories of our members as a lesson of the Christian life exemplified.

Resolved Further:

That our Class deeply sympathize with the bereaved children in their great loss and affliction, and assures them that we largely share their grief, but "we sorrow not as those who have no hope," for with uncovered heads we recognize that God has taken His own, He being dead yet speaketh.

Resolved Further:

That a page in our minutes inscribed with these resolutions, be dedicated to his memory, a copy be sent to his bereaved family, and be printed in the Alexandria Gazette.

TELEPHONE RATES ARE INCREASED

Corporation Commission Grants Permission to Company

NEW SCHEDULE AUG 1.

Material Advances Ordered For Alexandria—Rates in 25 Virginia Towns Undisturbed.

Richmond, Va., July 24.—The Chesapeake and Potomac Telephone Company was yesterday allowed a substantial increase in rates by the Virginia Corporation Commission, the increase being applicable to more than 60 per cent of the territory of the State. The new rates the effective August 1.

The increase ordered for Alexandria is: Single business line, $4.25 to $5; two-party business line, $3.50 to $4.50; four-party business line, limited messages, $2.50 to $3.50; single residence line, $2.50 to $3; two-party residence line, $2 to $2.25; Fredericksburg. single business line, $3.50 to $4; two-party business line, $3 to $3.50; single residence line, $2.25 to $2.75; two-party residence line, $1.75 to $2. Falls Church, 50 cents raise in business line and 25 cents raise on residence lines.

Rates were left undisturbed in twenty-five towns. Among these were Middleburg, The Plains, Gordonsville, Lovettsville, Hillsboro, Fairfax, Herndon and Marshall.

In Richmond, Norfolk and Portsmouth there was an advance of $1 on business lines and from 50 to 75 cents on residence lines. The commission held that it had no jurisdiction beyond the franchise limit in such cities as Lynchburg, Roanoke and Winchester.

To Borrow 10,000

Money For Gas Plant—Sell School Building For $500—Residents of G. W. Park Want Water

Common council, in special session last night, authorized the negotiation of a temporary loan of $10,000 to pay for the purchase of coal for the city gas plant and instructed the city engineer to have needed repairs made to the wall surrounding the city jail, the committee on public property having been unable to secure bids on the work. A bid of $500 for the old frame school building at Washington and Jefferson streets, submitted by the Rev. Louis Smet, pastor of St. Mary's Church, was accepted. The purchase price does not include the ground on which the building is located. A petition from residents of George Washington Park for a water tower or some other arrangement to supply that section of the city with water for household use and in case of fire was referred to the committee on general laws, with instructions to confer with the corporation attorney relative to the matter.

BODY OF WOMAN IN TRUNK

New York, July 24.—The nude body of a young woman with a 12-inch knife wound in her abdomen was found stuffed in a trunk under a pile of clothing by James Demarest, delivery foreman of the American Express Company, here yesterday. The trunk was consigned to "James Douglas, New York City," and was marked shipped from "A. A. Tieturn, 105 Harper street. Detroit, Mich."

The body was taken to the morgue where physicians declared the knife wound showed it to have been a "ripper" murder. This opinion was also expressed by the police. There was no identifying marks upon the body. The woman was apparently about 30 years old, and two upper teeth protruded from the upper left jaw.

MAN AND GIRL SLAIN

Savannah, Ga., July 24.—James F. Bailey and Iris Brown, an 8-year-old girl, were shot and killed last night during a pistol battle between Bailey and G. C. Curtis, which occurred in a restaurant operated by Allen Brown father of the child. The girl was struck by a wild bullet.

CORNERED IN SWAMP

300 Farmers Surround a Fiend Who Killed Young White Girl

Pottersville, Mich, July 24.—Leaders of a band of 300 farmers, searching the countryside for an unidentified man who Tuesday attacked and killed Beatrice Hickox, 13-year-old girl, on a farm near here, declared yesterday morning they had the fugitive surrounded in a swamp.

The farmers, all armed, were reinforced during the night by a squad of State police, who patroled all roads in this vicinity today.

The girl was killed early Thursday while carrying water to the fields for her brother. An examination of the body showed she had been strangled and her head crushed with a large rock

Neighbors partially identified the fugitive today through a photograph brought here by Lansing police as an escaped convict from Jackson prison.

A man taken into custody near Lansing early yesterday morning was being held for investigation. According to the authorities, he was unable to give a satisfactory account of his movements on Thursday, but denied knowledge of the girl's death.

TURNER WILL DIE SEPTEMBER TENTH

Murderer of T. M. Moore To Be Hanged in Henrico Jail

COMPOSURE BREAKS

Condemned Man Faced Charges of Murder, Highway Robbery and Attempted Criminal Assault.

Richmond, July 24.—Judge Edmund Waddill, of the United States district court, yesterday sentenced to death William Turner, colored, found guilty of the murder of T. Morgan Moore at Alexandria early in the morning of Sunday, May 23, when tried here last week. Judge Waddill directed that the execution be carried out by United States Marshall Saunders Friday, September 10, at the Henrico county jail. Twenty-second and Main streets. Turner will be hanged, it is said.

Attorney Harry Smith, for the defense, entered a petition for a writ of error. After the passing of the death sentence Turner was led quietly to the cage in the office of the United States marshal, preparatory to being taken to the Henrico jail. Though he sat stolidly and almost indifferently through the trial and at the passing of sentence yesterday, when taken to the cage his composure broke and he became visibly affected.

Turner faced the United States district court last week with three charges against him—murder, highway robbery and attempted criminal assault. The prisoner admitted the shooting of Moore, though declaring that he fired in self-defense. The jury brought in a verdict of guilty after less than thirty minutes' deliberation.

Leads Contest

Second Baptist First to Reach 200 Per Cent in Y Attendance Race

The second Baptist Church was the first to reach 200 per cent in the Y. M. C. A. Sunday school attendance campaign. They not only reached the double percentage last Sunday but salted it down with a little margin, their actual percentage for the day's attendance being 205 to be accurate.

The 100 per cent basis of the Second Baptist Sunday School is 93 and their attendance last Sunday was 191, giving them 5 more than double attendance. Their average for the seven weeks of the contest is 162 while that of St. Paul's, the leaders is 180. The nearest St. Paul's has come to the 200 per cent mark was Sunday, June 27, when they reached a percentage of 191.

There was no change in the line-up of the schools as a result of the last Sunday's attendance but several of the schools increased their standings while three only fell below the 100 per cent mark. However the average kept all safely within the three figures.

Last Sunday was the seventh Sunday of the contest and consequently many chances are possible in the next five Sundays remaining before the close of the attendance campaign. The Second Baptist school has entered the contest in earnest while the Methodist Protestant is thoroughly of the opinion that she crease since the Fourth of July. The can overhall the two leaders before the last Sunday in August.

The total attendance for the Sunday was 1640 a gain of 24 over the previous Sunday, and a steady in-

EVANGELISTIC MEE...

Dr. Lee Starke Gives up Newspaper Work to Conduct Revival Meeting.

Evangelist Lee Starke of New York City, who gave up his position as one of the leading newspaper and advertising men of the country to devote his life to the betterment of man, is meeting with great success in the tent meeting under the auspices of the M. E. Church, South, at Clarendon, Va. Where he is now conducting a series of revival meetings. Great crowds are in attendance at every service, delegations from Washington, Alexandria and all nearby towns are in attendance every night. Those who have not hear Dr. Starke are missing a rare religious treat. He is not a Billy Sunday, a Stough, or a Chapman—his is Lee Starke with a stricking personality and mannerisms all his own. He has all the wit and humor of Sam. Jones, all the spiritualities of Moody, and all the dramatic action of Billy Sunday. The evangelist will conclude his work at Clarendon, Va. with three monster meetings Sunday, at 11 a. m. the subject is to be "Seeking Jesus." Sunday night the subject is to be. "The Second Coming of Christ and Recognition of Friends in Heaven." Saturday night the evangelist will by special request deliver his famous lecture, "Who Is Your Sweetheart?" Admission to this great lecture is free to all.

RESOLUTE WINS YESTERDAY'S RACE

Defending Yacht Evens Up Contests For America's Cup

OUTSAILS SHAMROCK

First Across Line, Scoring Victory Without Time Allowance—Last Race Today

Aboard United States Destroyer Goldsborough, July 24.—Resolute made it fifty-fifty yesterday when she took the fourth race of the series with Shamrock IV for America's yatchting cup.

The fifth and deciding race will be sailed today, the regatta committee officially announced, following yesterday's contest.

Yesterday's race was the fatest of the series. Resolute led from the start to about four miles from the finish, when Shamrock came up and passed the American boat. In a fighting finish, Captain Adams, of the Resolute, set his big ballooner and swept past the challenger a half mile from the end.

The breeze held good for the entire race with the exception of a few minutes when a squall hit the course. At times the wind registered as high as 18 knots, and the racers sped through the water.

Offical time of the finish:

Resolute—4.39.25.

Shamrock—4.43.06.

Resolute beat Shamrock boat for boat without needing her time allowance. The American boat not only demonstrated she was the faster, outsailing Shamrock on all three legs of the course, but her crew showed greater speed in handling sails.

SUSPECT IDENTIFIED.

Sandy Spring Officals Shatter Alibi of Man Held At Baltimore.

John W. Mitchell held in Baltimore city jail, was yesterday identified by Sandy Spring officals as one of the auto bandits who took part in the hold-up of the bank on April 26, when Francis M. Hallowell, bank director, was shot and killed.

A. C. Thomas, president of the bank; Asa M. Stabler, director, and William H. Burrs, of Roxbury Mills, Howard County, Md., who recognized Mitchell as one of the gangsters, have by this identification shattered any hopes Mitchell entertained that he would not be implicated with the Sandy Spring shootup.

Burrs identified Mitchell as one of an automobile party he had helped when their car was stuck in a rut near Roxbury Mills.

The trial will take place within a month. The prisoners will remain in the Baltimore jail until the trial.

CYCLONE KILLS EIGHT

Bolts Wreck Federal and Other Buildings During Storm in Buffalo

Minneapolis, July, 24.—A cyclone which swept over a section of North Dakota last night is reported to have killed eight persons.

Buffalo, July 24.—One of the severest electrical and hailstorms in this city's history visited Buffalo last night, leaving a wide trail of wreckage in its path.

Lightning struck the Federal building in the midst of the terrific electrical display and partially destroyed the high tower on the Washington street side. Huge pieces of stone and concrete were hurled across Washington street.

What is believed to be a meteor crashed through the roof of a garage in the downtown section during the worst part of the storm, and was stopped by rafters.

Eleven buildings, including the New York Telephone building, were struck by lightning.

HOME-MADE WHISKY

Proof that activities of "moonshiners" and "bootleggers" in Washington have recently grown to tremendous proportions was yesterday declared by United States' Commissioner Isaac R. Hitt to be shown in the number of alleged violations of the prohibition acts heard by him during the past thirty days.

During that time nearly 100, arrested on charges of being involved in the liquor traffic, have been brought before him, said Hitt.

Hundreds of quarts of intoxicating liquors have been seized. Scores of home-made distilleries have been confiscated. Hundreds of gallons of "whisky mash" have been destroyed. These stills range all the way from the two-quart capacity type to the more pretentious affairs capable of producing several gallons.

There is every reason to believe many similar stills are in operation in Alexandria. During the present year the police have captured several at places in this city. The Corporation Court was engaged this week in considering a case where a still was found in a house in the northeastern section, but it was unable to identify the owner.

WAR STILL IN EVIDENCE

Mars still has his grip upon this terrestrial sphere, although Germany, the most bellicose nation of our times, has been rendered hors de combat. Wars and rumors of war are still in the air, and many thoughtful persons are inclined to believe that the Treaty of Versailles merely rung down the curtain upon the first act of international conflict. It may surprise some readers to learn that about as many men are at present engaged in hostilities as there were during the dark days of July, 1918.

A dispatch from Paris says as the danger of a new European war becomes more imminent hourly, it is interesting to note that in this, the second year of the Versailles "peace" not less than seven wars are raging in various parts of Europe and the Near and Far East. Altogether, 4,000,000 soldiers are engaged in these wars. This is as many as were at one time engaged in the great European conflict. Here is a summary of the situation as it stands nearly two years after the signing of the armistice:

Ireland—80,000 British troops and 50,000 Irishmen are engaged in almost continuous warfare. Jugoslavia—100,000 Italians and 90,000 Jugoslavs are locked in intermittent hostilities. Albania—50,000 Italian invaders are meeting armed resistance from an Albanian citizens' army. Poland—300,000 Poles are at death grips with 600,000 Russian bolshevist troops in a war which may involve the whole of Europe. Caucasus—250,000 Russians, 150,000 Turks, 120,000 Greeks, 80,000 British and 60,000 French troops are fighting in various parts of that far-flung area. Syria—45,000 French are battling with Syrians. China—The country is torn by rebellion marked by heavy fighting.

SUB-DIVISION STREETS.

A resident of East Rosemont was recently fined in the Police Court for allowing his automobile to remain on a sub-division street all night minus a light. The defendant in this case later was disposed to take an appeal to the Corporation Court on the ground that as the City Council had refused to take over and pay for the work of contructing the new streets in East Rosemont, that the police authorities were acting beyond their power in holding residents guilty of violation of the traffic law recently passed by the City Council.

Whether or not the city should be taxed to defray the expenses of constructing streets in this sub-division is a mooted question. Many representative person believing it is incumbent upon the city to do so, as taxes upon the property are paid the City Council. Others, however, contend that the company which is engaged in building up East Rosemont has embarked in a commerical enterprise and should open and keep up streets in that area at its own cost. But we are not called upon to sit in judgement on this issue. The courts may in due time settle the matter.

But the city's claim to jurisdiction in the matter of violations of the traffic law it would seem from a "horseback" opinion is justifiable. While sub-division streets are constructed as highways, into which any one can run a vehicle, and violations of the traffic law are of the same nature as those committed upon a general highway.

This question was raised in the Police Court months ago, and appeals were threatened by those upon whom fines had been assessed.

In a conversation yesterday concerning this matter, during a lull in the proceeedings of the Police Court, attention was called to a late-drawn-out case in the United States District Court in Alexandria many years ago when the late Judge Robert W. Hughes presided over that tribunal. The late Shirley King had brought suit for damages against the captain of a river vessel for colliding with his vessel while the latter was anchored in a swash channel in the vilinity of Piney Point and not displaying a light at night. King's lawyer contended that as his vessel was at anchor some distance east of the buoyed channel, it was not incumbent upon him to have a light displayed at night. Judge Hughes in his opinion took the opposite view, as any vessel of the same draught, he said, was likely to enter the swash channel at night when a collision would be probable. King was made to bear his own damages.

This opinion might be made to bear upon Rosemonters who being off the main highway suppose they should not be compelled to place lights upon their automobiles.

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Alexandria People's Experiences

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Alexandria proves the effectiveness of this great kidney remedy.

Mrs. A. W. Ballard, 506 South Alfred St., Alexandria, says: "I could hardly get around, my back hurt so. When I bent over I would get so dizzy I could hardly straighten up. There was a throbbing ache in my head most of the time and I always felt tired. Doan's Kidney Pills relieved me of all kidney complaint and I believe if hadn't taken them in time the trouble would have been pretty serious. I certainly can recommend Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ballard had. Foster-Milburn, Co. Mfrs., Buffalo, N. Y.

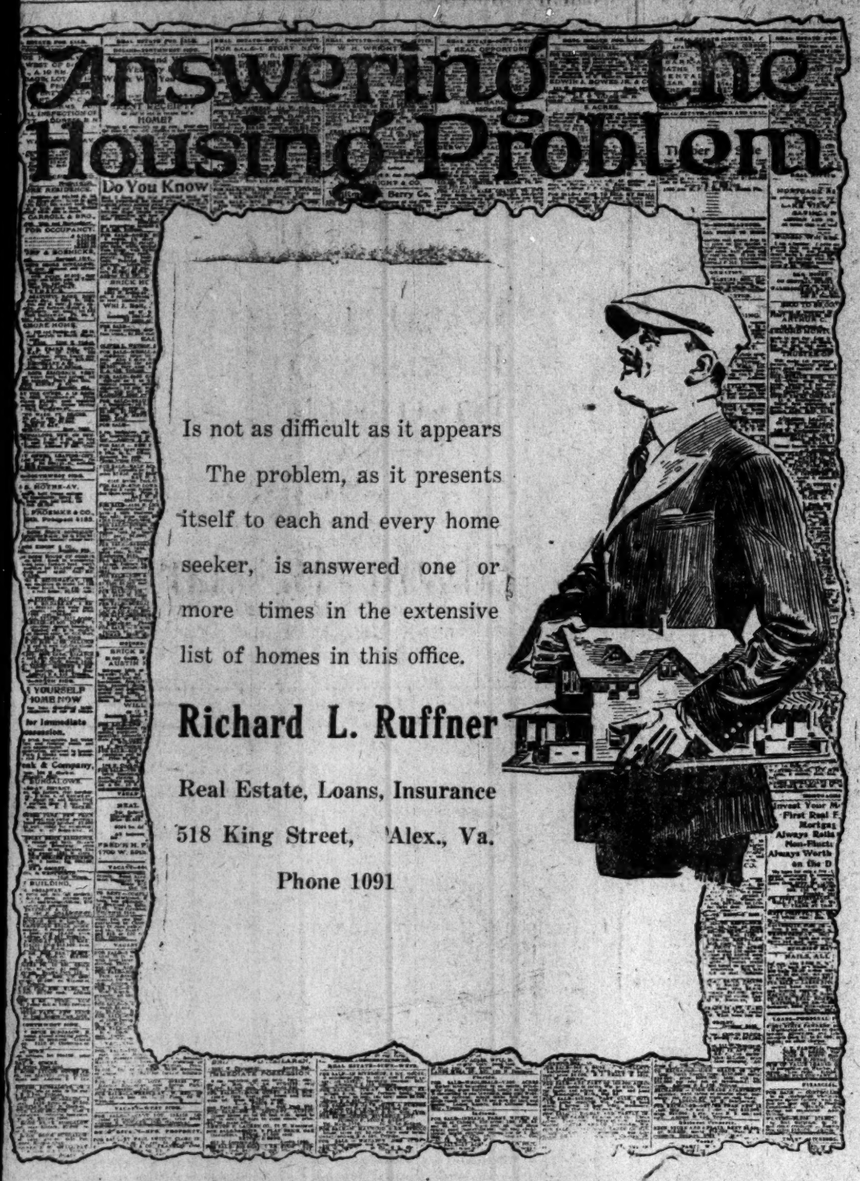
WE SOLVE THE HOUSING PROBLEM

Answering the Housing Problem



Is not as difficult as it appears

The problem, as it presents itself to each and every home seeker, is answered one or more times in the extensive list of homes in this office.

There was a time, a few months ago, when houses for rent or for sale were conspicuous by their absence. When families were leaving the city for other places, owing to the fact that they were unable to beg, borrow or rent a place in which to live.

However, this condition does not exist in such great measure today. Houses are more plentiful now than at any time during the past few years but this condition may not remain.

Real Estate dealers throughout the city are continually asking the question—Why should a man pay a big rental for a house, when for a small initial cash payment, he can buy a piece of property and pay for it on the same conditions as paying rent for a home?

In an effort to further the purchasing of property, the various real estate dealers of the city have banded together and every Saturday they are planning to run a number of specially good bargains in real estate and it is to the best advantage of any prospective property owner in the city to read these advertisements, then make a personal visit to the offices or office and then visit the property and find out the value of the house or property advertised.

Don't fail to watch for this page of advertisements in every Saturday edition of the Gazette until further notice.

ESSEX MOTOR CARS

Essex Takes Hundreds of Famous Records in Nation-Wide Tests

In Every Locality it Now Holds the Coveted Records for Every Type of Car Performance--Economy, Speed Endurance, Acceleration, Hill-Climb and Reliability

IN A SERIES of the most dramatic tests ever made to prove motor car efficiency, Essex cars in all parts of America during the week of June 27th challenged and took practically every important record.

Six new cars, taken just as they came out of production, were driven at top speed from Detroit to Chicago, 303 miles. The fastest time was 8 hours 8 minutes. Time for the last car to arrive, 11 hours and 3 minutes. An average for it of 27 miles per hour.

One owner who had driven his car 38,000 miles put his Essex over Wisconsin dirt roads during a heavy rain, a distance of 90 miles in 2 hours, 4 minutes, which was better than 44 miles per hour.

A Denver owned Essex with 22,000 miles to its credit proved its easy riding qualities by carrying 288 crated eggs strapped to the rear seat. The car traveled 3,828 miles over mountain roads in a 6-day non-stop motor performance. Only 40 eggs were broken.

Owners' Cars Showed Economy and Speed

Still another Essex that had covered 19,000 miles in automobile rental service and on the original fabric tires from a standing start, topped El Paso's most difficult hill at 49 miles per hour. The best previous record was 36 miles per hour.

In Des Moines, a privately owned Essex that had previously gone 7,000 miles, averaged 22 miles to the gallon of gasoline. It traveled 4,712 miles in 144 hours of non-stop motor running. During the six days, the car was stopped 2,137 times and carried 1,602 passengers. At the finish it showed a speed of a mile a minute on a gravel road.

At Dallas, Texas, an Essex which had seen 12,000 miles of service, established the world's dirt track record by covering 1,261 miles in 24 hours—average 52½ miles an hour.

An Essex Sedan, fully loaded and on original tires that had carried the car 15,000 miles, traveled 221 miles over Maryland hills, averaging 23 miles to the gallon of gasoline.

A Columbus, Ohio, owner drove his 10-months' old Essex which had gone 16,000 miles to Washington, D. C., 403 miles in 11 hours, 4 minutes. The crack Pennsylvania Railroad train requires 15 hours, 34 minutes for the trip. An Essex traveled 80 miles in 88 minutes from Buffalo to Rochester, N. Y. The roadway is 12 miles longer than by rail—Essex time 4 minutes longer than that of the fastest train.

24 Cars in One Economy Run

Economy was shown in Connecticut by 24 owner-drivers, 12 going over the Mohawk Trail and the Hoosac mountains. The other 12 traveled a coast route. The winning car averaged 24 miles to the gallon of gasoline. Average for all 24 over 216 miles of route, for each was 18.7 miles to the gallon. One car had seen 35,000 miles of service and averaged 21.2 miles to the gallon.

The wife of U. S. Senator Deitrich drove an Essex from Hastings to Lincoln, Nebraska, 109 miles, averaging 29 miles to the gallon.

Four women drove from Los Angeles over the coast route to San Francisco and return via the Inland route with an average of 22.3 miles to the gallon of gasoline—no stop for any mechanical reason. A car starting from San Francisco made the round trip of 843 miles in 33 hours, and averaged 24.5 miles per gallon of gasoline.

Also Takes Famous Hill Climb Records

The Rim O' the World Record, in San Bernardino Mountains, was taken by Essex, climbing nearly 5,000 feet elevation over 8.8 miles of difficult mountain road in 17 minutes. An Essex defeated 19 other entries in the Sacramento, California, dealers' reliability run over the Sierra Nevada Mountains—distance 261 miles—24.25 miles per gallon of gasoline.

And in Utah 28½ miles of mountain roads with heavy grades, climbing 4,528 feet, an Essex carrying 3 passengers made the run in 52 minutes. The best previous record was 66 minutes. Another Salt Lake owned car with 10,000 miles to its credit in 1 hour 20 minutes traveled 50.7 miles. The best previous record for this route was 1 hour 37 minutes. Through a blinding snow storm over Tioga Pass with an altitude of 9,941 feet and over grades of from 6% to 37%, Essex traveled 432 miles, averaging 15 miles to the gallon, and using 3 pints of oil. It ran several miles hub-deep in mud and towed another car containing 5 people, itself carrying 950 lbs. of weight and one passenger.

Essex is the first and only car to climb 35th Street Hill, Washington, in high gear and the Tilden Street Hill from a standing start. It crossed the top at 51 miles per hour. The same car towed a loaded 6-ton truck 16 blocks up this hill.

49 Cars Average 18.9 Miles per Gallon

Gasoline records were kept on 49 cars used in every kind of test from the distance covered on a measured gallon to the six-day non-stop performances. It included hill climbs of the most sensational character and inter-city runs in all parts of the country over all kinds of roads in all kinds of weather and at speeds from 5 to 72 miles an hour. Some were brand new cars. One had already traveled 34,000 miles. The average was 18.9 miles to the gallon.

The above are but a few of the records made. Every locality now knows Essex for the accomplishment of some great feat. They know it for its speed, its hill-climbing ability and its flexibility and endurance.

In a thousand ways it has proved its supremacy in every imaginable test.

To list all records would require pages of newspaper space. It would apply to hundreds of cars. Some belong to owners who made the trials in a spirit of sportsmanship.

Now, Is There Anything Left For Essex to Prove?

Was greater proof ever submitted? Here in one week every kind of performance ability has been established by Essex. They cover not only the cars used in the hundreds of tests of all descriptions but their performance was so consistent that they bespeak similar abilities for more than 40,000 Essex cars as their owners know them.

Every question has been answered by Essex.

Men were long ago forced to recognize Essex performance. It is common remark that it is the speediest, quickest car on the road; and now, in face of these performances, who can doubt its stability?

Can Essex be second choice to any who want the economy which comes with light weight and the beauty, performance and luxury which comes with costlier cars? The Essex can be obtained at a moderate price.

No wonder its sales have also set a new record!

The Dreadnaught Athletic Club, after undergoing extensive week of practice under the direction of Coaches Burgandine and Brenner, feel confident of realizing their desire of handing a good lacing to the much heralded Winston Athletic Club, of Washington, who have gained much publicity lately, by "riding" the locals in the Washington newspapers, claiming to have defeated the Dreadnaught Regulars earlier in the season, when as it was, they ran up eight scores on the Reserves blanking them 8 to 0. It is known that the Winstons have "loaded" their club, "ringing in" some of the best baseball players in the Capital City, in order to sustain their newspaper claims, and the Dreadnaughts are aware they will have to play gilt-edge ball to cherish their desires. This is bound to be one of the hardest fought games of the season and another large crowd is expected and to make it comfortable for the spectators the local club wish to announce that the covered grandstand, seating five hundred people, has been completed. Ladies are especially invited to come out and lend encouragement to the locals.

attendance so far has been far ahead of the winter attendance and the so-called slump of the summer evidently permanently frightened away.

The result to date: St. Paul attendance 118, per cent 180; Second Baptist attendance 191, per cent 162; Methodist Protestant attendance 126, per cent 138; First Baptist attendance 411 per cent 130; M. E. South attendance 312, per cent 124; Trinity M. E. attendance 76, per cent 116; Second Presbyterian attendance 151, per cent 109; Christ's Church attendance 131, per cent 107; Grace attendance 97, per cent 106.

THOMAS L. CARTER, Auctioneer.

Auction sale of a very desirable residence and lot of ground on South Pitt street, in the City of Alexandria, Virginia.

Pursuant to the terms of a deed of trust bearing date on August 1, 1919, given by R. S. Roberts, unmarried, to the undersigned Trustee, and duly recorded among the land records of the City of Alexandria, Virginia, in Deed Book No. 68, page 499, default having been made in the payment of the sum thereby secured, at the request and by the direction of the holders of the notes thereby secured, the undersigned Trustee will offer for sale at public auction at the Royal Street entrance to the Market Building, at 12 o'clock Noon on Thursday, August 5, 1920, that lot or parcel of ground in the City of Alexandria Virginia, with the buildings and improvements thereon, known as No. 308 South Pitt Street (the former residence of the late Park Agnew) bounded and described in accordance with a survey made by E. C. Dunn, City Engineer, as follows, to-wit:—

BEGINNING on the east side of Pitt Street 118.94 feet south of Duke Street and at the south side of an alley; thence eastward along a fence and the north wall of a brick stable and 2.75 feet east of the northeast corner of said stable and 157.42 feet from Pitt Street and 118.03 feet south of Duke street, thence southward paralled to Pitt street 77.60 feet; thence west parallel to Duke Street 1.5 feet; thence southward along a fence and the west side of a brick building 43.58 feet; thence west 156.3 feet to Pitt Street; thence northward along Pitt Street 120.58 feet to the beginning, with the right of way over said alley and all appurtenances to the said property belonging or in any wise appertaining.

This sale is to be made subject to the lien of a first deed of trust given to secure the payment of the sum of fifty-five hundred dollars and interest thereon, which said trust has about two years still to run.

TERMS OF SALE: CASH; conveyancing, including revenue stamps, atthe cost of the purchasers.

GEORGE E. WARFIELD,

Three Great Bargains

11 rooms and bath on Pitt street, lot about 80x125; elevated position, plenty shade, wood work in perfect condition, needs papering and electric lights, at small expense can be made one of the most attractive homes in the city, or can, inexpensively, be converted into apartments, paying a very handsome return on the investment. The price is ridiculously low. Investigate this.

Six rooms and bath, brick, with corner store, a combination home and business proposition that can't be surpassed; in perfect condition, newly papered, electric lights etc. People who know, say this property would be cheap at $1,000 more than we are asking.

Nothing pays better than a good large rooming house, we have a handsome brick structure, containing about 30 rooms, large yard and plenty shade; has been paying about $150 per week net; could be converted into apartments at little expense; fully furnished and can be purchased at the very low price of $16,000. The prices on the above properties are low under any and all conditions.

Good Light Lightens Labor : :

Lighting the kitchen is like lighting a factory. Good lighting quickens production, as the factory man would say. In other words, it makes work go faster without the expenditure of any more energy.

Of all places needing more light and better light the kitchen in most homes is one of the most important. And when you have doubled or trebled the light in your **work** rooms, try it also in your **living** rooms.

If you find that doubling or trebling the illumination there mean glaring light, **don't** cut down the amount of lighting again—**shade** the light better! Keep the direct rays from striking the eye. Throw some of the light to the ceiling and walls.

In every socket—in every room from cellar to garret—use only
EDISON MAZDA LAMPS

If you will do that, you will find that a great deal more light in the room is decorative, pleasing and restful. It's not the amount of LIGHT that you find irritating in some rooms, but the amount of GLARE.

OUR METER MEN REPORT THAT A NUMBER OF OUR CUSTOMERS ARE USING CARBON LAMPS. WHY NOT BE UP TO DATE? USE MAZDA LAMPS—BETTER LIGHT—LOWER BILLS.
